Whereas the authorization committee has considered the medical certificate from the treating physician of **Rukmani Birla Hospital, Jaipur, Rajasthan** certifying that the recipient is suffering from chronic kidney failure and requires kidney transplantation for survival.

And, whereas the committee has gone through the facts and circumstances of donation from a live donor. Now therefore in exercise of the powers conferred to it by clause (i) section 2 of the Transplantation of Human Organs Act, 1994, the authorization committee gives its approval for the kidney transplantation between the above mentioned donor and recipient at **Rukmani Birla Hospital, Jaipur, Rajasthan**.

Note- As the transplant is to be conducted out side the State of Punjab, so "approval/no objection certificate" from the respective State Government has to be obtained.
